

Just Between Friends St. Charles County Seller Referral Program

How Does It Work? Easy as 1, 2, 3

1. Tell your family, friends, neighbors, moms at school, and more about selling with JBF St. Charles County.
2. Either you or the referred seller completes the referral form. Just click the link!
3. For every NEW seller you refer, you receive 5% of their sold profits PLUS a \$10 referral bonus the first time they sell their items at a JBF St. Charles County sale!
 - If your referred seller continues to participate with JBF St. Charles County, you receive 2.5% of their sold profits.

Show Me the Money...

- Let's say, Carol Consignor recruits 4 NEW sellers to participate in the upcoming JBF St. Charles County sale. Each seller has gross sales of \$250. Connie will get a check for \$90!
 $\$250 \times 5\% \times 4 \text{ consignors} = \$50 + \$40 (\$10 \text{ bonus per consignor}) = \$90!$
- Then, Carol's consignors sell again at the next St. Charles County sale. All 4 sellers have gross sales of \$250 each. Connie will get a check for \$25 ($\$250 \times 2.5\% \times 4$).

Questions...

- **Who is Considered a NEW Seller?** A seller that has not participated as a consignor in a JBF St. Charles County sale before. (Spouses, significant others, & additional tagging accounts are not eligible.)
- **What's the Catch? None!** We want you to be able to make as much money as possible at our sale! We realize that you may eventually grow out of selling your own items, so why not get a percentage of other people's items? (Note: The percentage is taken from JBF, NOT from the seller).
- **When Will I No Longer Get a Percentage of Their Sales?** If JBF St. Charles County decides that this program is no longer effective, you and/or your seller(s) are no longer selling with JBF St. Charles County.

Sounds Great! So What Do I Need To Do?

Get people involved! That friend that has great clothes and gear for her kids – get her to participate as a seller! Tell all the moms at your kid's school, get the neighbors who are trying to sell their baby stuff at a garage sale or on Facebook or Craigslist.
